bitten otherworld paperback

Bitten. Elena Michaels is the worldâ€™s only female werewolf. And sheâ€™s tired of it. Tired of a life spent hiding and protecting, a life where her most important job is hunting down rogue werewolves. Tired of a world that not only accepts the worst in herâ€“her temper, her violenceâ€“but requires it.

bitten otherworld paperback

Women of the Otherworld is the name of a fantasy series by Canadian author Kelley Armstrong. The books feature werewolves, witches, necromancers, sorcerers, and vampires struggling to fit as "normal" in today's world. The series also includes novellas and short stories, published online (and one in an anthology).

Women of the Otherworld is probably Armstrong's best known series and one of the Urban Fantasy genre's original heavy hitters. If people ever ask me where to start with urban fantasy, Bitten is the book I recommend. It was one of the first UF's I read and the Women of the Otherworld continues to be one of my favourite series.

So, I came into Bitten having read nearly all of the other books in the Women of the Otherworld series. In fact, the books with Elena narrating are the only ones I haven't read. It was very interesting to read this one, knowing it was the first in the series and already knowing in broader strokes who major players like Elena, Clayton, Jeremy ...
