Bitter Melon is a painfully difficult read, to say the least â€‘ but not in the way, say Girl in Translation by Jean Kwok â€‘ another mother/daughter immigrant story â€‘ was a wrenching read. The latter had moments of surprising light to counter the challenges, and the balance ultimately resulted in an engaging, fresh twist to a familiar story.

Obviously, in MISS FORTUNE COOKIE it is fictionalized since the main characters are heavily involved. I thought it was an interesting touch, but I'm not sure it meshed well with the themes of MISS FORTUNE COOKIE. I can't say that I entirely mind a book stalling the story a little to say that hate is bad and God loves everyone, however.
