Several of the Elverum Black Book's incantations employ the well known pattern from other Black Books of portraying one of these Christian figures suffering from, then ultimately prevailing over the same affliction the incantation aims to cure. Folklorists call the kind of wizardry that underlies such formulas "sympathetic magic."

black books of elverum

This unusual book shares Norwegian folk history and copies of two found â€œblack booksâ€• with their translations.

The book also helps understand the mindset behind folktales and folk medicine, as well as the sometimes absurd spells and curses used by peasants and their clerical leaders.

The Black Books of Elverum by Mary S. Rustad

black books of elverum

The Black Books of Elverum claim to be a summary of a Cyprianus by a "Bishop Johannes Sell" from Oxford, England in 1682. The British bishop John Fell may be the person who is meant here; Fell did publish an edition of the works of St. Cyprian. The actual stories told of Cyprianus in Scandinavia often made no reference to St. Cyprian.

The Black Books of Elverum depend on the beliefs of the people of their day. That is crucial to making them work. Unlike the Galdrabok, the Pow Wows and the Albertus Magnus Egyptian Secrets, there are few actual vestiges of Heathen lore and spell technology in the Elverum books. Belief must be mates with a way to work.

Abstract. Chapter 4 examines attributional practice in Black Books through the roles and functions of authorship. By identifying specific mediators in the texts, which serve different authorial purposes and can be viewed as authorial sources, Black Book authorship clearly points towards the legendary figure of Cyprian as the dominant and most important authorial source.
