black coven daniel black book 2

It's looking like the guy is taking a break or something. His blog has no updates since feb, and I think there was a mention somewhere that he planned on Perilous Waif 2 next ( I dunno if it was in like the end-book closing comments, or a blog/twitter post or something, but I believe I saw that) - I think it could easily be a year or two before we see the next one, as while I think his story ...

possibly dual meanings, possible coincidence. Reference the chapter where the coven is established. Cerise calls for it to become a "black coven" and her hope that it would be the last of the black covens. This possibly means that this coven is differentiated from others in that its purpose is to kill their enemies. Delete
