American Prophecy - 3

black dawn bright day indian prophecies for the millennium that

The phrase "Earth Changes" was coined by the American psychic Edgar Cayce (1877–1945) to refer to the belief that the world would soon enter on a series of cataclysmic events causing major alterations in human life on the planet. This includes "natural events" (such as major earthquakes, the melting of the polar ice caps, a pole shift of the planetary axis, major weather events, solar flares ...)

It is the Black Dawn, a time of environmental apocalypse, the earth wracked and dying. It is the Bright Day, a time long generations hence, when a peace has descended across the world. In each era, a child shall be chosen. Their task is to find a dark messiah known only as the Crowman. But is he our savior - or the final incarnation of evil?
