Book Summary Black Elk Speaks, a personal narrative, has the characteristics of several genres: autobiography, testimonial, tribal history, and elegy. However, Neihardt's editing and his daughter's transcription of Black Elk's words, as well as Black Elk's son's original spoken translation, raise questions about the narrative's authenticity.

The Great Vision. What happened after that until the summer I was nine years old is not a story. There were winters and summers, and they were good; for the Wasichus had made their iron road along the Platte and traveled there. This had cut the bison herd in two, but those that stayed in our country with us were more than could be counted, and we wandered without trouble in our land.
