black indians a hidden heritage

The existence of Black Indians has been banned from most school books and histories (p.3). Yet it is a fact in North and South America. This book attempts to correct the historical record. Katz wonders if the attacks on Indians was to prevent any alliance with Africans (p.7). Most Black Indians are found in big cities, not in rural areas (p.9).

In India, black money is funds earned on the black market, on which income and other taxes have not been paid. Also, the unaccounted money that is concealed from the tax administrator is called black money. The black money is accumulated by the criminals, smugglers, hoarders, tax-evaders and other anti-social elements of the society.

black indians a hidden heritage

Black Seminoles, also called Seminole Maroons or Seminole Freedmen, a group of free blacks and runaway slaves (maroons) that joined forces with the Seminole Indians in Florida from approximately 1700 through the 1850s. The Black Seminoles were celebrated for their bravery and tenacity during the three Seminole Wars.. The Native American Seminoles living in Florida were not one tribe but many.
