Black Moon Draw, what can anyone say when they fall into a rabbit hole of adventure! What a ride!!! Lizzy Ford has out done herself with this awesome Novel, which by the way I think it should continue on. If you are a lover of fairy tale movies, than you will love this book. It has been by far the most clever book written yet by Mrs. Ford.

Our higher selves, our souls, are influenced by the cycles of the Sun, the Moon, the stars and the natural world on a deep spiritual level. We can draw down their energies into ourselves to amplify and replenish our own, like tapping into a cosmic energy supply rather than having to recharge our powers from our own, separate dynamos.
