black robe on the kennebec

Black Robe, first published in 1985, is an historical novel by Brian Moore set in New France in the 17th century. Its central theme is the collision of European and Native American cultures soon after first contact. First Nations peoples historically called French Jesuit priests "Black Robes" because of their religious habit.

The Black Robe

black robe on the kennebec

Studying Brian Moore's Black Robe (1985), this book examines the dual adaptation process of historical sources into fiction and fiction into film. The fictionalisation process is analysed on the basis of the Jesuit Relations of the 17 th century and Moore's novel. Besides transforming and compiling information from these annual reports, Moore also uses them to justify his choice of obscure ...
