black widow book

While discussing his new book THE BLACK WIDOW in the Music Hall in Portsmouth, NH author Daniel Silva pointed out that the Paris bombing described in his sixteenth installment of his Gabriel Allon series was a complete fabrication. In light of actual events that seem to coincide with the book's publication, Silva seems clairvoyant, a trait ...

Latrodectus is a broadly distributed genus of spiders with several species that together are referred to as true widows. This group is composed of those often loosely called black widow spider, brown widow spiders, and similar spiders. However, such general "common names" are of limited use as the diversity of species is much greater.
