black women poets of harlem renaissance

As Langston Hughes pointed out in his famous essay "200 Years of American Negro Poetry," Poets and versifiers of African descent have been publishing poetry on American shores since the year 1746 when a slave woman named Lucy Terry penned a rhymed description of an Indian attack on the town of Deerfield, Massachusetts. He went on to write, "art is to be an intensification or ...

black women poets of harlem renaissance

The female poets highlighted in this unit, including Gwendolyn Bennett and Jessie Redmon Fauset, also played a large role in the elevation of their race during the Harlem Renaissance. For these two women, however, their battle was not only to assist in the promotion of their race, but to work to generate positive images of African-American women.

black women poets of harlem renaissance

The last stanza brings up a motif that is common in Western lyrical poetry, namely, the idea that the poetsâ€™ words preserve the beauty of a woman otherwise destined to vanish. In the first stanza, the poet emphasizes the thematic statement that the color of the natural black woman itself is life and her form is beauty.
