Blankets is a story of self-discovery behind a mask of religion and limited possibilities. As a coming-of-age autobiography, the book tells the story of Thompson's childhood in a Evangelical Christian family, his first love, and his early adulthood. However, the story also relates to other cultural and emotional issues not entirely directed at Thompson that can be placed in a moralised viewpoint.

blankets by craig thompson

Although dubbed an illustrated novel , Craig Thompson's *Blankets* is in fact a lightly fictionalized memoir of his life growing up in a fundamentalist family in the American mid-west. Craig, the hero of *Blankets* and clearly the cartoonist's alter ego, is alienated in school, his skinniness and shyness making him an easy target for loutish jocks.
