Blockbusters and Trade Wars - Douglas & McIntyre

blockbusters and trade wars

In a context of rising protectionist rhetoric, this paper looks at the potential impact of trade wars initiated by a change in US trade policies. We show that such trade wars can hurt emerging countries and damage the global trading system without bringing gains for the United States. We use a static multicountry, multisector Armington trade ...

remains is a concept of trade war that entails dramatic and broad escalations in trade barriers. Another reason it is difficult to define a trade war is that for most observers in the U.S., a mental model of a trade war harkens back almost 100 years. Successive waves of tariffs in 1922 (the Fordney-McCumber Tariff) and 1930 (the Smoot-Hawley
