Summary and reviews of Blonde Roots by Bernardine Evaristo

blonde roots bernardine evaristo

"Blonde Roots" by Bernardine Evaristo is a bitingly satirical novel in which world geography is slightly different and the history of the transatlantic slave trade took an opposite track, with "Afrikans" enslaving europeans and shipping them over the Atlantic to "Amarika" rather than the other way around.

This article explores the relationship between literary form and the representation of history in Bernardine Evaristo's™s Blonde Roots (2008). The text is premised on an ironic racial reversal of the Atlantic slave trade. As such, this single moment in international history is mobilised, brought into different contexts and demonstrated to be inherently malleable. Blonde Roots, Black History: History and the Form of the
