The Ivy Granger Psychic Detective series is an urban fantasy series written by E.J. Stevens. The series is told in the first-person point-of-view of Ivy Granger, a psychic detective with ties to the paranormal underworld of Harborsmouthâ€”ties that ensnare Ivy and her friend Jinx in the Machiavellian schemes of the city's teeming population of bloodsucking vampires and psychotic faeries.

Mistletoe is the English common name for most obligate hemiparasitic plants in the order Santalales. They are attached to their host tree or shrub by a structure called the haustorium, through which they extract water and nutrients from the host plant. Their parasitic lifestyle has led to some dramatic changes in their metabolism.
