"Canticle," Miller's search for religious faith clashes with his respect for scientific rationalism. For Miller, Lucifer is not a fallen angel but technological discovery unencumbered by a moral compass; "Lucifer is fallen" becomes the code phrase the future Church uses to indicate the imminent threat of a second nuclear holocaust.

the outline of a longer, more developed novel. However, my major complaint about "Blood Canticle" (and much of Rice's recent work) is her treatment of her characters. In her earlier works, they were better fleshed out and more complex. In other words, they were believable, and from book to book Rice maintained their integrity.
