THE BLOOD COVENANT In ancient times the blood covenant was common among almost all of the people of the middle east. It was a way of establishing a binding contract between two men. What we call the Old and New Testaments could easily be called the Old and New Covenants. The typical blood covenant contained nine parts, or steps.

In ancient Israelite sacrifice, death is not the primary focus. The killing of the animals is a means to an end. Killing the animal makes its flesh and blood available for special use. In our own society, those who have hunted or who have raised livestock for meat are probably in the best position to understand this point.

Thus the New Blood Covenant, based on the covenant relationship between God, the Father and Jesus, the Son of Man is patterned after the original Abrahamic Covenant. The covenant now is indeed everlasting, for it cannot be broken as it was in ancient times. The New Blood Covenant is now between God, the Father and His Son, representing man.
