The isolated Hazel searches for a connection to his hometown of Eastrod, though his intense and confrontational manner turns people away. His stated quest “to do something he has never done before” demonstrates a level of purpose and engagement with life’s bigger questions, and with his own personal development, that goes beyond the simple small talk of Mrs. Hitchcock.

The raised blood glucose levels in Type 2 diabetes are due to a combination of a reduced amount of insulin secreted from the pancreas gland and the insulin not working properly to control glucose particularly at the level of the liver. Glucose is stored in the liver and we use glucose stored in the liver when we are not eating.

Jesus Christ, the one perfect God-man, came to offer the pure, complete and everlasting sacrifice to make payment for our sin. Hebrews chapters 8-10 beautifully explain how Christ became the eternal High Priest, entering heaven (the Holy of Holies), once and for all, not by the blood of sacrificial animals, but by his own precious blood on the cross.
