Blood Ties (Blood Ties, #1) by Sophie McKenzie

blood ties sophie mckenzie

An excellent sequel to 'Blood Ties', which is my favourite Sophie Mckenzie book. The only thing that stopped it from gaining all five stars is the fact that the ending seemed a little rush and we never found out what happened to Milo, a

new character introduced in the book.

Meanwhile, Shane and his mother Amy are dealing with their own problems that will also alter their lives. In this sequel to FAMILY LIES, problems seem designed to destroy the peace and quiet of the two families; but as always, blood ties will bring them together and form an unstoppable bond. I hope you enjoy BLOOD TIES.

Sophie McKenzie holds the reader by the power of her storytelling. The Lovereading comment: Fast-action plots are the hallmark of this authorâ€™s thrillers and her debut Girl, Missing was the Richard and Judy Childrenâ€™s winner in 2007. Blood Ties wonâ€™t disappoint either and will give you an adrenalin rush on every page.
