bloodletting a memoir of secrets self harm and survival

Bloodletting is a memoir concerning what a person goes through when taking part in self-harm and the whys and hows. I somehow felt annoyed while reading this book because it just seemed like the author was simply begging for attention and promoting it in a book. Self-hard is a very controversial topic and I think this book downplayed that.

About Brothers of the Gun. A bracingly immediate memoir by a young man coming of age during the Syrian war, Brothers of the Gun is an intimate lens on the century's bloodiest conflict and a profound meditation on kinship, home, and freedom. In 2011, Marwan Hisham and his two friendsâ€”fellow working-class college students Nael and Tareqâ€”joined the first protests of the Arab Spring in Syria ...

How to Write a Memoir Without Preaching. Trust your narrative to do the work of conveying your message. Too many amateurish memoirists feel the need to eventually turn the spotlight on the reader with a sort of "So, how about you?" Let your experiences and how they impacted you make their own points, and trust the reader to get it.

It turns out I was shunting too much blood back to the heart and the myocytes were having a hard time coping with the workload. I was like a dam with flood gates wide open, resulting in a downstream reservoir that could barely cope with the gigantic rush of water. Owing to my size, tortuosity and blood flow, I was causing more harm than good.
