Bloody valentine is a Blue Bloods novella. I am a huge fan of the series, so I was thrilled to finally read this book. Iâ€™d been waiting a long time to get it. It was totally worth it. This book will not be your normal Blue Bloods book, because it is divided in three parts, and each part tells a different story.

Book Review. Having read The Keys in the Repository, the previous Blue Bloods novella, and being thoroughly disappointed by it, I was not keen to read Bloody Valentine. The paperback blurb did not really give any indication as to what this book was about (again). I really donâ€™t understand how the blurb of every. single. book. in this series could be so bad.
