About Photography and September 11th. It is all but impossible to think of September 11th 2001 and not, at the same time, recall an image. The overwhelmingly visual coverage in the world's media pictured a spectacle of terror, from images of the collapsing towers, to injured victims and fatigued firefighters.

Bloomsbury group, name given to the literary group that made the Bloomsbury area of London the center of its activities from 1904 to World War II. It included Lytton Strachey Strachey, Lytton (Giles Lytton Strachey), 1880â€“1932, English biographer and critic, educated at Cambridge. He was one of the leading members of the Bloomsbury group.
