blossom of the century 1893

The ancient Phoenicians used almond blossoms with honey and urine as a tonic, and sprinkled them into stews and gruels to give muscular strength. Crushed petals were also used as a poultice on skin spots and mixed with banana oil, for dry skin and sunburn.. In the ancient herbals the crab apple was used as treatment for boils, abscesses, splinters, wounds, coughs, colds and a host of other ...

blossom of the century 1893

Overview. Psychology borders on various other fields including physiology, neuroscience, artificial intelligence, sociology, anthropology, as well as philosophy and other components of the humanities. The history of psychology as a scholarly study of the mind and behavior dates back to the Ancient Greeks. There is also evidence of psychological thought in ancient Egypt.

blossom of the century 1893

Blossom's Inn was a tavern which stood in Lawrence Lane in the City of London from the 14th century until 1855. It became a substantial coaching inn and was used as a staging post by carriers of goods. In the 19th century, the lease was bought and it became the parcel depot of the Great Eastern Railway.

blossom of the century 1893

Ever since ancient times, flowers have held both practical and cultural significance. Whether the question at hand was decoration, medicine, or the wooing of a potential mate, men and women have turned to flowers for help. But during the Victorian era, flowers took on a very particular social significance due to the development of an elaborate!

An apple is a sweet, edible fruit produced by an apple tree (*Malus domestica*). Apple trees are cultivated worldwide and are the most widely grown species in the genus *Malus*. The tree originated in Central Asia, where its wild ancestor, *Malus sieversii*, is still found today. Apples have been grown for thousands of years in Asia and Europe and were brought to North America by European colonists.
