That was a good book, It is distinct among the recent Scientology survivor books in how it gives an inside view on how mental illness and Scientology don't mix. Maybe too much of an "inside" view. The book was grueling for sure but I would recommend it. But that book didn't capture me quite so much as Blown for Good. The day after I finished ...

On the outside, Tena's childhood looked like a fairy tale. Her father was one of the richest men in the state; her mother was a regal beauty. The family lived on a sprawling farm and had the only swimming pool in town; Tena was given her first car - a royal blue Camaro - at 12. But behind closed doors, Tena's life was deeply lonely and chaotic. A thousand lives the untold story of hope deception and
