Most people are still not willing to accept or even entertain the idea that hybrid Reptilians are in control of this planet and perform blood rituals and ceremonies using humans as the source of food and hormones. I wish it were not true. But I cannot change history, current events, or what I know to be true.

This was the first book that I had read by Stewart Swordlow. The book that changed my life forever! Blue Blood, True Blood completely blew the lid off of the box I had been living in, encapsulated in lies and confusion. This is the truth, and you have to know where youâ€™ve been to know where youâ€™re going and how to get there.

In Cold Blood was first published as a four-part serial in The New Yorker, beginning with the September 25, 1965, issue. The piece was an immediate sensation, particularly in Kansas, where the usual number of New Yorker copies sold out immediately. In Cold Blood was first published in book form by Random House on January 17, 1966.
