I didn't think that Murtagh pursued his questions, insights or ideas far enough. I also felt that the other characters in the book had no personalities for the most part - it was very much about Murtagh himself - but we can only really understand the blue eyed salaryman if we understand what makes the brown eyed salarymen tick.

Blue eyes are like the sea, they say, because people often get lost in them. While some cultures see people with blue eyes as being under some sort of curse, blue eyes are seen as an ideal of beauty throughout the Western world, a standard that most countries influenced by Western culture have started to abide by.
