Which role the media takes in a given conflict, and in the phases before and after, depends on a complex set of factors, including the relationship the

Voices of war: Conflict and the role of the media
Conflict means different things to different people. For some, a definition of conflict involves fighting, war, trade embargos and so on. For others, it may be a difference in opinion, perspective or personality. One party may feel they are in a conflict situation, when the other party feels that they are just discussing opposing views.

On Conflict and Consensus

The Eritrean–Ethiopian War, one of the conflicts in the Horn of Africa, took place between Ethiopia and Eritrea from May 1998 to June 2000, with the final peace only agreed to in 2018, twenty years after the initial confrontation. Eritrea and Ethiopia, two of the world's poorest countries, spent hundreds of millions of dollars on the war and suffered tens of thousands of casualties as a ...
